

COGO 2023

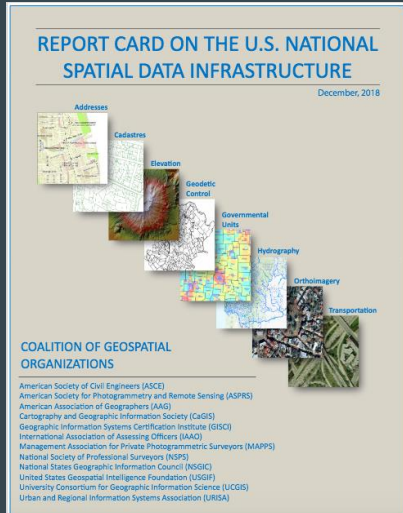

Assessment of the NSDI

Update by Christine Stinchcomb (IAAO)
and Karen Rogers (NSGIC)

NGAC Quarterly Meeting
May 19, 2022

Name Change

COGO Assessment of the NSDI

Survey Instrument

Publication Date

- December 2023, every 4 years thereafter
- Plan to stagger with ASCE Infrastructure Report Card

Themes Assessed

- Eight (8) Framework layers (to keep it manageable)
- + Universal Theme

FGDC Involvement

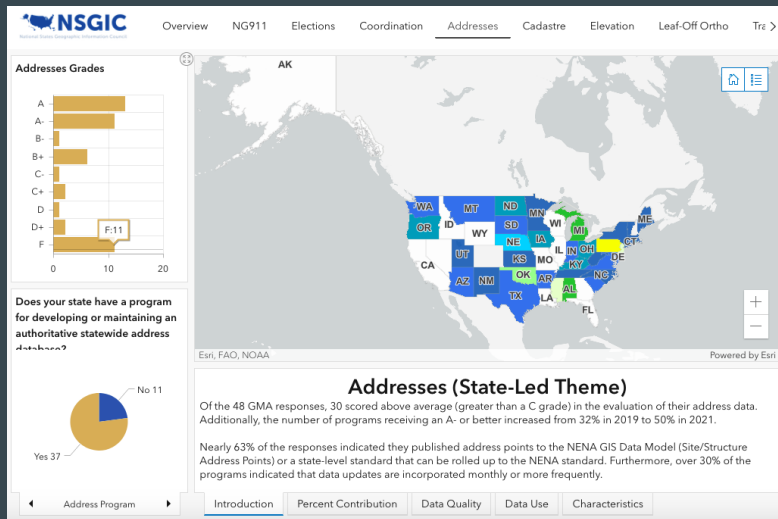

- COGO Teams for each framework layer + Universal theme
- Teams will work with FGDC Secretariat and Lead Covered Agencies to gather input, now and along the way
 - In particular, will incorporate info from GDA reporting June 2023
 - Will coordinate on several version reviews throughout the process
